OUR STORY

Chef Kwan has been serving Thai cuisine for over 40 years. Trained at Thailand's most prestigious culinary arts school in Bangkok, she opened one of the first vegetarian-focused restaurants in the city. She ran the restaurant until she later left the country. Chef Kwan was born and raised in Ratchaburi Province in Thailand's central region. Her cuisine is mostly inspired by the flavors of this region. She immigrated to the United States over 30 years ago and brings with her authentic Thai cuisine. Chef Kwan sources the freshest ingredients and prepares her curry pastes, stir-fry sauces, salad dressings, crispy spring rolls, crab meat patties, desserts, and more from scratch. Each dish is made to order, and will never add MSG. At Thai Kitchen, your taste buds are sure to go on a cultural journey through Thailand.

Chef Kwan stands by serving food exactly how you would find it at her home. She first started running the business by herself with the help of her daughters. Thai Kitchen has expanded in operations but remains a family-run establishment.

Thai Kitchen has been serving Thai cuisine locally in Lakewood, OH since 1996, and we can't wait to serve you!
